Dr. Önver Cetrez, Swedish Research Institute in Istanbul

[onver.cetrez@sri.org.tr](mailto:onver.cetrez@sri.org.tr)

---

The general point of departure for the planned activities within the MICS frame is to form, consolidate and sustain a network for Nordic and Eurasian scholars within the humanities and the social sciences. More specifically, the rationale is to promote cooperation and scholarly advances within issues pertaining to Migration, Identity, Communication and Security in Eurasia. These four, closely intertwined,

processes denote key societal challenges which scholars and practitioners alike will need to confront continuously within the foreseeable future.
